OLDER TODDLERS

Welcome Spring! During the month of April we will be talking about the weather and baby

animals. April showers bring May flowers! We will be focusing on the colors yellow and purple. We will learn the signs for yellow, purple, flower, rain, baby and different animals. Our windows will come in handy for monitoring the weather and measuring the rain. We will read stories about baby animals and make crafts using the colors purple and yellow. Our bible story for the month will be the Easter story and Miracles of Jesus. Please remember to provide sunscreen for your child and to change out the extra clothes for warmer weather.

Two Year Old News

Happy Easter! This month we will be celebrating Easter and discussing why it is so exciting that Jesus rose again! We will be focusing on the letters Xx, Yy, and Zz. We will be counting the numbers 1-30. We will be sending home some special crafts such as gluing together pretend xylophones, making yak handprints, and making zebra handprints. We will be playing with yarn

also. When the toddlers were asked what they wanted to do they responded, "Let's go to ALL the beaches!" an idea for a beginning spring activity with your toddler is to grab a towel and dig together in the garden or dirt. This is great sensory and outdoor fun! Donations of stickers are greatly appreciated. Our class loves to do sticker activities.

Please bring in a new bottle of sunscreen for your child.

Make sure your child's change of clothes are season appropriate.

Thank you to all who have donated the wipes!

Four Year Old News

As the Easter holiday season grows near, let us look at the significance of that first Easter. The Bible tells us that God is love (1 John 4:16). The entire Bible is a testament to God's love, but the events of that first Easter weekend long ago exhibit His love in unmistakable clarity: *"By this the love of God was manifested in us, that God has sent His only begotten Son into the world so that we might live through Him. In this is love, not that we loved God, but that He loved us and sent His Son to be the [offering, payment] for our sins."* (1 John 4:9-10 NASB)

God's love for us is so great that He devised a plan whereby His very own Son would take on the sins of mankind, pay the price for those sins, and offer us the opportunity to be forgiven and set free from sin. Now, the choice is ours whether we reject or accept His offer. Jesus has done the hard part. HE died on the cross for all of us to LIVE FOREVER!

This month we will be reviewing our A Beka letters and phonics. We will also study gardening and the plant growing process.

- April 22 Earth Day— We will plant a tree! Donations of plants, soil, or tools are greatly appreciated!
- April 24— Arbor Day

We will be practicing for graduation on May 21.
