T V C D C PRESCHOOL 2's 3's 4's & 5's

As the Easter holiday season grows near, let us look at the significance of that first Easter. The Bible tells us that God is love (I John 4:16). The entire Bible is a testament to God's love, but the events of that first Easter weekend long ago exhibit His love in unmistakable clarity:

"By this the love of God was manifested in us, that God has sent His only begotten Son into the world so that we might live through Him. In this is love, not that we loved God, but that He loved us and sent His Son to be the [offering, payment] for our sins." (1 John 4:9-10 NASB)

God's love for us is so great that He devised a plan whereby His very own Son would take on the sins of mankind, pay the price for those sins, and offer us the opportunity to be forgiven and set free from sin. Now, the choice is ours whether we reject or accept His offer. Jesus has done the hard part. HE died on the cross for all of us to LIVE FOREVER!
