

Infant-Toddler News

April 2014

Infants 6 weeks-12 months

We've heard the saying, "April Showers Bring May Flowers." The saying implies that in order to enjoy the beauty and fragrance of the flowers, a time of rain must be endured. This saying can be looked at in relation to our lives. We can look back over the seasons of our life and see where we may have went through a rainy, dreary time period before the blessing of the outcome was evident. God promises in Romans 8:28 that "All things work together for good to those who love God, to those who are the called according to His purpose." If we put our hope and trust in God, we will be able to see the beau-

ty that comes after the rain. May we all take this season as an opportunity to trust in God's promises. We can rejoice in the knowledge that after the storm comes the rainbow!

Our Easter party will be on Tuesday, April 22nd. Sign up sheets will be posted soon.

Remember to send a jacket labeled with your child's name as we will take walks when weather permits.

Happy Easter!

Toddlers 12-23 months

April showers bring May flowers! Welcome Spring! We are so excited to get outside and enjoy the warmer weather! This month we will be celebrating Easter. We will be talking about how Jesus died on the cross for our sins and how he can live in us today. We will be discussing Earth

Day, the number 8, the color black, the flower daisy, and poetry. April is poetry month.

We have several science crafts coming up and are in need of empty small water bottles with lids and empty small coffee cans with lids for these crafts.

Remember to send a jacket with your child as we will go outside when weather permits.

Happy Easter!
