Director's News

Spring is almost here! Spring is a wonderful example of God's love. He brings new life to us through His son Jesus. In the spring, God revives the earth by putting it into a state of growth. God has a purpose for the seasons of weather just as He has a purpose for the seasons in our life. Ecclesiastes 3:1 says, "To every thing there is a season, and a time to every purpose under the heaven." We trust the seasons to bring change with snow, rain, and sunshine. May we focus in to trust God in the seasons of our life.

Please remember to return your completed 2017-18 enrollment survey and the \$50 enrollment fee to secure your child's/children's spot for fall. Open enrollment to the public will start Monday, March 6th. If you plan to withdraw your child or change your child's schedule for the summer, please contact the main office with a one week notice prior to these changes.

Please remember to sign your child(ren) in and out using the time clock system located at the front and back entrances. Thank you!

Spring and graduation pictures will be taken with Sarah Dunlap Photography on Tuesday, April 4th, Wednesday, April 5th, and Thursday, April 6th. Pictures will be available online for previewing and purchasing. Cap and gown pictures will be taken at this time. Thank you in advance for your support!

With warmer weather around the corner, please provide your child (ren) with a new bottle of sunscreen labeled with your child's name for going outside. Remember to provide a light jacket labeled with your child's name for cooler mornings/evenings outside.

Lost and found is located by the back timeclock sign in/out monitor. Please check for missing items as all items will be donated by Friday, March 10th.

Infants, Toddlers, and Twos

Hello families! This month we will be discussing spring! We will be exploring the many changes that occur with spring—flowers blooming, trees growing, and the different kinds of weather.

Our bible story for the month is about Joseph and his coat of many colors. Our bible character of the month is **KINDESS**.

Remember to wear **GREEN** Friday, March 17th for St. Patrick's Day.

Remember to send appropri-

ate clothes for going outside in the different types of weather. Also, please provide a new bottle of sunscreen labeled with your child's name for going outside in warmer weather.

Donations of wet wipes are greatly needed and appreciated!

Hello parents! Welcome to March! We hope you enjoyed our Annual Music Program on February 28th. Thank you to all who were able to attend. The students loved practicing their songs to sing to you!

In March we will begin to finish our introduction to the alphabet as we study Ww, Yy, Pp, Zz, and Xx. Our themes for the month of March are focusing on the renowned author/illustrator Eric Carle, reptiles, Dr. Seuss, the zoo, and spring! Our character traits/fruits of the spirit are **GENTLENESS** and

KINDESS.

We kick off March with a pajama day on the 1st. To celebrate St. Patrick's Day on the 17th, St. Patrick teaching Ireland about God, your children are welcome to wear the color **GREEN**. Please remember that daylight savings time will begin on March 11th/12th. Spring ahead!

Our bible themes this month are young Samuel and how he obeys God's voice, young David, and we will start the new bible unit Visits With Jesus. Those visits will include learning about Mary, Martha, and Lazarus, Zacchaeus, and Nicodemus.
