OLDER TODDLERS

This month we will be focusing on Mother's

Day and spring planting. The colors we will be discussing for the month are blue and pink. Our bible focus for the month will be on the mother of Jesus. We will also be jumping into our first nursery rhyme- "Mary, Mary Quite Contrary. How does your garden grow."

The children will be making special gifts for their mothers to celebrate Mother's Day. We will be learning the sign for mother, blue, pink, and flower. We will be planting a seed, watching it root and grow into a seedling, and then a plant to celebrate spring!

We are looking forward to using our new sand and water tables on warmer days!

Two Year Old News

Happy Mother's Day! In the month of May we will be celebrating our mothers for Mother's Day! We will also be studying and reviewing our shapes: circles, squares, rectangles, and triangles.

We will make a special, secret Mother's Day present to send home to our moms. We will taste different foods of different shapes to help us review our shapes. We will practice tracing or

reverse printing of our shapes as well.

As the weather changes, so do our change of clothes needs! Please make sure you have extra clothes for your child that are weather appropriate.

Our class is always in need of extra clothes (shorts and pants especially). All donations are appreciated!

"Sweet May hath come down to love us, flowers, trees, their blossoms don; and through the blue heavens above us, the very clouds move on." H. Heine

For this month we will be focusing on flowers, gardening, Mother's Day, Memorial Day, nurses, police, and many other smaller topics. We also plan to learn about the fruits of the spirit and how to grow and apply them to our own lives.

A big thank you to all of our donations last month. It is always nice to receive new treasure and other needed items! Please remember to bring a labeled

jacket for going outside on cooler mornings.

A very Happy Mother's Day to all of our special moms! Happy birthday to you May bloomers and a blessed Memorial Day to those of you who serve, served or have had family members serving in the military. We appreciate all that you have done for us!
