4' S & 5' S PRESCHOOL NEWS**TEACHER APPRECIATION****MAY 5-9**

Preschool students, May is here and it is hard to believe this is the month you will graduate! Time has passed by so quickly and I hope you have had fun and learned a lot this year. I just wanted to thank all the children, parents and family members for another blessed year. We have enjoyed teaching your children and sharing the love of Jesus with them!

For the remainder of the year will continue to review the alphabet and numbers. We will also practice our songs for the Graduation program. For each day in May we will focus on specific letters to review with activities. In this last month we will use more of our A Beka Curriculum worksheets to review the alphabet and numerals. We will send home any unused A Beka worksheets so your child may continue to review over the summer. For our students going onto Kindergarten congratulations and we will miss you!

Thank you and blessings to you and your families! Ms. Eve , Ms. Brenda, Ms. Holly, & Ms. Olivia

2' S NEWS

May in the two's class will be a month of reviewing our alphabet, colors and numbers 1-20. The older two's are very accomplished at recognizing our colors and shapes! Our Bible focus is David and Solomon. We will be learning about "Fruits of the Spirit." For Mother's Day we will send home a special art project to show our appreciation for our wonderful mothers. We will be doing more cooking activities in the month of May. And we will have an entire week exploring dirt. Please send your child in clothes that they can get messy and explore our outdoors. Remember to send a jacket for colder mornings.

Thank you and blessings,

Ms. Emily, Ms. Kristen, Ms. Treisha and Ms. Tiffany

**SPECIAL DAYS:**

- May 22—
