

Infant-Toddler News

November 2013

Infants 6 weeks-12 months

The holiday season is a time for family, friends, memories, love, and celebration. During this time we strive to focus on the blessings given to us by God. As a center we are thankful for God's guidance over 39 years ago that led to the opening of TVCDC. We are thankful for the many families that have touched our lives over the years along with the opportunity to minister to others. It is an honor to help guide these young lives along with you. Our prayer is that this holiday season will give

you and your families a new heart of thanks to our Lord for His mercy, joy, peace, and salvation.

The babies loved the party! Thank you parents for helping make the party a success!

Please remember to label all items with your child's name on it. Also, donations of wipes are always appreciated.

God Bless

Toddlers 12-23 months

The holiday season is upon us! It is time for family and friends, and celebrating the love, especially the love God has for us. This month we have much to talk about and accomplish. We will be playing with leaves and straw. We will be making pudding paint and painting with corn on the cob. The bible focus

for the month is God gives food and water. During this Thanksgiving season, let us remember to be thankful for all God has done for us.

Please remember to send a jacket with your child as weather permits we will still go outside. Please remember to change out your

child's extra clothing for colder weather.

Wipe donations are always greatly appreciated!

Happy Thanksgiving!
