Infant /Toddler News

Infant Class 6 weeks-12 months

Harvest-time! Nature is changing around us: a beautiful display of God's handiwork. Just as the fall crops are ready for harvest, so are God's promises for our lives. As we take notice of the beauty of this harvest season, may we also let God do a beautiful display of His work in our lives. Let us allow Him to take us into a new season, claiming His promises and reaping the harvest from His goodness.

October is "fire safety" month. It is important to teach our children about safety even at this early age. We will be practicing fire drills.

Smokey the Bear will be making a visit to the children at the center on October 9th at 10 am. Also, the local fire department will be bringing their fire trucks and firemen by to talk to the children about fire safety.

Just a few reminders:

- Please provide a jacket labeled with your child's name for going outside and on walks for cooler weather.
- Wipe donations are always appreciated
- Be sure to check your child's folder daily for important information (folders are located on the wall in the infant foyer)

God Bless!

Toddler Class 12 months-23 months

Fall is here! We are so excited to bring fall into the classroom! We will be talking about the sounds, sights, and smells of fall! Our fall party will be on Thursday, October 30th at 10 am. Sign up sheets will be posted soon!

We will be talking about fire safety this month. Practicing fire drills allows the children to hear the sound of the alarm and learn how to exit when the alarm

sounds. Smokey the Bear will be visiting on Thursday, October 9th at 10 am. The local fire department will also be making an appearance this month to discuss fire safety with the children.

Please remember to send a jacket with your child as weather permits we will still go outside. Wipe donations are always greatly appreciated!

Happy Harvest!

Parent Reminder:
