Harvest-time! Nature is changing around us: a beautiful display of God's handiwork. Just as the fall crops are ready for harvest, so are God's promises for our lives. As we take notice of the beauty of this harvest season, may we also let God do a beautiful display of His work in our lives. Let us allow Him to take us into a new season, claiming His promises and reaping the harvest from His goodness.

October is "fire safety" month. It is important to teach our children about safety even at this early age. We will continue practicing fire drills. The local fire department will be bringing their fire trucks and firemen by to talk to the children about fire safety. Smokey the Bear will be making an appearance this month as well.

If you haven't already done so, please provide, update or make changes to any information for your child's file. This includes Physician Reports, Immunization Records, 2015-16 Tuition Contracts, and blue Emergency Forms.

Payments for service are due the first day of your child's weekly schedule. Automatic withdraw, click to pay (via email), credit/debit machine, and check are accepted forms of payment. Any account that has not been paid within the current week will have a \$20 late fee applied to the account the following Monday.

Fall pictures will be taken on October 21st, 22nd, and 23rd in the green room. Pictures will start at 8:30. Bob Wojcieszak Photography will be taking the pictures. Pictures will be available for viewing and purchasing online.

The Fall Harvest party is scheduled for Tuesday, October 27th at 10 am. All classes will have sign up sheets posted on the classroom doors. Please remember that all outside food must have a nutritional label on the outside package. No costumes please.

The new shade structures have been a wonderful addition to our preschool playground. Thank you families for supporting TVCDC!

Happy Harvest to the infants, toddlers, and twos! This month we will be learning about Noah's Ark-the animals, the water, the big boat, and God's promise -a rainbow! Our character focus for the month of October is Love. We will be discussing fall, emotions, helping friends, pumpkins, and promises.

We are expanding in the two year old room. Ms. Angel will be the new lead teacher of the new two year old room. The new room is located beside the laundry room at the bottom of the preschool stairs. We are excited about serving more

families in the community!

Cooler weather is upon us! Please remember to change out your child's extra clothes so they are weather appropriate. Also, remember to send jacket clearly labeled for going outside in cooler weather.

Wipe donations are always appreciated.

If any parents or grandparents would like to come in to read a story to the class please see Ms. Kelly in the older one year olds to set up a date and time. Thank you in advance for your participation!

"Mommy, I'm on blue!"
"Daddy, I'm on pink today!"
Are you wondering why your child is telling you a color? It is part of our behavior/rewards daily charting strategy! Every child starts on the color green daily. As your child makes the right choices throughout the day, he or she will move to blue, purple or pink. If your child chooses to not make the right choices, he or she will move to yellow, orange, or red. Your child's choices will move them to different colors throughout the day. This is to

help teach consistency in behaviors and reward actions that match the posted classroom rules and expectations. If you have any further questions please see your child's teacher.

Our letter focus for the month will be the letters Oo, Tt, and Ll. The character focus for the month of October is Love. Some themes we will be exploring are fall, emotions, helping friends, pumpkins, promises, and costumes.

Columbus Day is Monday, October 12th. Dress with an ocean theme to celebrate Columbus sailing to

North America!

Cooler weather is upon us! Please remember to change out your child's extra clothes so they are weather appropriate. Also, remember to send jacket clearly labeled for going outside in cooler weather.
