## Infants 6 weeks-12 months

Harvest-time! Nature is changing around us: a beautiful display of God's handiwork. Just as the fall crops are ready for harvest, so are God's promises for our lives. As we take notice of the beauty of this harvest season, may we also let God do a beautiful display of His work in our lives. Let us allow Him to take us into a new season, claiming His promises and reaping the harvest from His goodness.

October is "fire safety" month. It is important to teach our children about safety even at this early age. We will be practicing

fire drills as the building and fire escape routes have changed for all of us. Smokey the Bear will be making an appearance at the end of the month as well.

Please remember to label all items with your child's name on it. Also, donations of wipes are always appreciated.

God Bless

Ms. Jan, Ms. Wanita, Ms. Mary, Ms. Jessica, Ms. Jessie, Ms. Missy

*Train a child in the way he should go and when he is old he will not turn from it.*

**Proverbs 22:6**

## Toddlers 12-23 months

Fall is here! We are so excited to bring fall into the classroom! We will be talking about the color orange, making lots of fall crafts, and focusing on the song *Old McDonald*. Our bible story for the month is Noah's Ark. This is a great story that encourages our number of the month-2. We will be par-

ticipating in a safari animal hunt throughout the center this month as well.

We will be talking about fire safety this month. Practicing fire drills allows the children to hear the sound of the alarm and learn how to exit when the alarm sounds. Smokey the

Bear will also be making a visit toward the end of the month.

Please remember to send a jacket with your child as weather permits we will still go outside. Also, please remember to bring in your family picture for the family tree on the wall.

Wipe donations are always greatly appreciated!
