## Director's News

Welcome families! We are so blessed to have you as a part of our TVCDC family! This year is packed with plenty of new and exciting activities. There are new rooms, new teachers, and new curriculum for all ages. We are so blessed to serve a God who provides for our each and every need!

Thank you for making Open House a success! It was so good to see each family there. We are looking forward to working with each family to make this year a success!

If you haven't already done so, please provide, update or make changes to any information for your child's file. This includes Physician Reports, Immunization Records, 2015-16 Tuition Contracts, and blue Emergency Forms.

Please provide all schedule changes for your child in writing to the main office. The payment box located by the front entrance is a great way to communicate to the office before and after office hours.

If you have not already paid your 2015-16 annual enrollment fee, the enrollment fee will be charged to your child's account September 1st. Payments for service are due the first day of your child's weekly schedule. Automatic withdraw, click to pay (via email), credit/debit machine, and check are accepted forms of payment.

If the front parking lot is full, please feel free to use the back parking lot for drop off and pick up. Please keep the space under the portico clear as to help with traffic flow in the front parking lot. Thank you for your cooperation.

Please remember to clock your child(ren) in and out daily on the timeclock screens located at the front and the back entrances. If you have children in preschool and afterschool care, remember to click CHANGE beside your afterschool child so that they will not be signed in during the morning drop off.

The center will be CLOSED Monday, September 7th in observance of Labor Day. Regular tuition charges will be applied to TVCDC closed days.

## Infants, Toddlers, Twos

Welcome infants, toddlers, and twos! We are looking forward to a great year of helping and watching your children grow. We have many new faces, children and staff!

The bible unit for the month of September is God Made the World. We will be talking about God made everything and God made me.

Our character trait for the month is OBEDIENCE. Teaching children to obey teachers, parents, and God is vital at this young age.

Our themes for the month are

Getting to Know You (school routines, expected behaviors, and daily schedules), All About Me, Fruit Trees, Extreme Earth (natural occurrences), and Languages and Countries. If you have any items you would like to share with the class about these themes, please feel free to send them in anytime.

Parent reminders:

- Remember to label all items with your child's name.
- The one year olds are eating in the rooms now to lessen the transitions throughout the day.
- Wipe donations are greatly appreciated for all classes.

Thank you for sharing your tiny blessings with us.

## Threes, Fours, and Fives

Welcome to a new year here at TVCDC! We are excited to learn and grow with your children! Thank you very much for your generous donations—they are greatly appreciated and will be put to good use.

In the month of September we will be learning a biblical unit titled In the Beginning. Each week, a parent letter will be sent home in your child's folder to inform you of what your child will be studying in class.

Our themes for the month include All About Me, Fruit

Trees, Extreme Earth (natural occurrences), and Languages and Countries. If you have any books or learning items about these at home, please feel free to share these items with the class.

Our A Beka letters for this month are Ii, Uu, Ee, and Aa. Since vowels are in every word, we will focus on learning their shapes and sounds first.

Our character trait for the month is OBEDIENCE. We will be discussing what it means and how to be obedient and obey.

Thank you again for joining our TVCDC family this year!
