PRESCHOOL NEWS

SEPTEMBER 2014

Welcome to our TVCDC Preschool for children ages 2-5! We offer integration of the *A Beka* curriculum with hands-on activities for a new preschool year. We are thankful for each family that has chosen our center for your child's preschool education. The *A Beka* program employs Phonics as the most logical, orderly way to introduce reading to children. We will offer a weekly letter & phonic focus, Bible Lessons, Language/Literacy, Gross/Fine Motor skills, Science/Math, Hands-on and Art activities along with Music & Movement.

We want to thank each family for making our Open House a huge success!
