Director's News

Spring is almost here! Spring is a wonderful example of God's love. He brings new life to us through His son Jesus. In the spring, God revives the earth by putting it into a state of growth. God has a purpose for the seasons of weather just as He has a purpose for the seasons in our life. Ecclesiastes 3:1 says, "To every thing there is a season, and a time to every purpose under the heaven." We trust the seasons to bring change with snow, rain, and sunshine. May we focus in to trust God in the seasons of our life.

Please remember to return your completed 2018-19 enrollment survey and the \$50 enrollment fee to secure your child's/children's spot for fall. Hello parents! March is finally here and spring is right around the corner. We are so excited for the warmer weather and the opportunities to be outside more.

March has St. Patrick's Day to celebrate and Easter is only a month away! With so much going on we can not wait to get it started. This month our weekly themes will be reptiles, Dr. Seuss Week, and the last two weeks will be focused on learning about the Easter story. Classrooms #4 and #5 will be working on the letters Nn, Pp, Qq and Rr. We will also be fo-

cusing on the numbers 13 and 14. St. Patrick's Day and Easter are approaching quickly, so we will working with the colors green and yellow.

Our Bible focus will be on the Easter story. Our bible verses will be Matthew 21:9, "The People Shouted, "Hosanna in the highest!" and Mark 16:6, "Jesus is risen! He is alive!". We will be transitioning from our character trait of GENTLENESS to KINDNESS. Remember to bring in a family photo for your child's classroom and remember to send a new toothbrush if for brushing teeth daily.

Thank you!!
